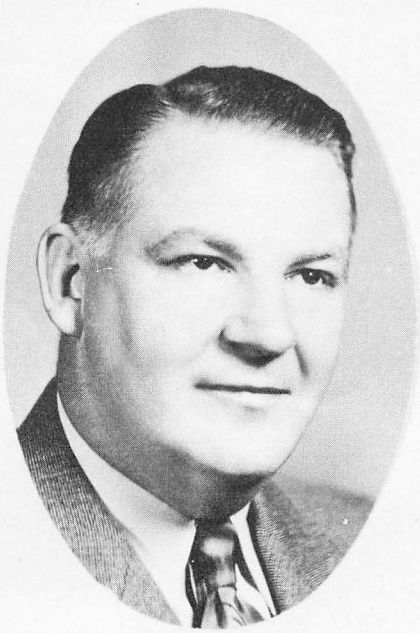
BOARD OF EDUCATION



THEO. F. DAMME, Pres.

F. J. EVANS, Sec.

CALVIN PEARSON, Treas.

The success of any school must depend greatly on the ability of its administrators. A board of education has a big job, and often a "thankless" one. But we feel that our town has chosen a group of men capable of handling the important tasks that face them.

"PAPA MAKES GOOD"

The Junior Class gave their play on the twenty-ninth and thirtieth of November. It was scheduled for the fifteenth and sixteenth but due to the illness of Carol Badberg, it was postponed.

The title was "Papa Makes Good", a comedy in three acts. It was a rollicking, funny play about what happens to the men of a small community when their wives take such a liking to wrestling matches on their television screen that the ladies decide to build up their husbands and have them wrestle each other at a big local benefit! What happens at the benefit should not happen to a bunch of dogs.

The gross receipts for both nights totaled $ 148.75.

COACH and MANAGER

THE RECORD

The Talmage Bulldogs balanced the scales in the won-lost column under the capable coaching of Marvin Boesen.

They got off to a bad start when they met their first defeat at the hands of Nemaha, 13-41. It was their first game and the team was very weak on defense.

On Purple and White Day the Talmage sextet came on the field all fired-up to win over a Class C school, Adams, 60 - 13. The Bulldogs completed their first eight passes in waltzing away with their first home game.

On a muddy and rough field they suffered their customary first-half deficit and couldn't catch the rugged Eagle team, suffering a 13-24 defeat.

The Talmage boys got into the win column again by defeating Nehawka on the home field 40-32. Bottcher was the outstanding player in the game as he rolled up thirty points. This won for him the distinction of being named on the World Herald's Football Roll of Honor.

The Bulldogs won the third home game by rolling over Union 33-0.

Talmage again suffered its "first-half-out-of-town-jinx." The score at half-time was 6-26, but they got rolling in the last two quarters and made fourteen points while holding Sterling to six. Final score 20-32.

The Bulldogs had the distinction of losing to the No. 1 team in the state, Lincoln Cathedral. The game ended early in the third quarter as the visitors score 48, topped the 45 point margin allowable by the rules.

In the last game of the season, Talmage rolled easily over an inexperienced Dunbar team. At half-time the score was 39-6. Final score 58-26.

1951-1952 BASKETBALL SEASON

This season's Bulldog team began its journey down the basketball trail rather uncertainly. After opening with a 68-25 rout of Burr, the 'dogs dropped a ragged 43-27 contest to Dunbar.

In early season games, their shortage of experience and capable reserves was obvious. They stayed with Palmyra (at Palmyra) until the third quarter and then faded; they gained an overtime at Nemaha and then blew it; they wilted under a full-court press at Syracuse; they fell apart under the accurate set-shooting of Peru Prep; they got caught flat-footed by Nebraska City's B team in the Otoe County tournament.

While losing all these games, they were occasionally flashing indications of potential greatness, their scoring was becoming balanced. Their first real display of great team play came in the finals of the Nemaha Valley tourney when all five starters scored between five and ten points as they gave Nemaha a 35-33 lesson in ball control.

In February, radical changes were made in the offensive patterns, a few modifications introduced in the defense, and the Talmage team began a spectacular late-season surge. After warming up on Cook and Brock, the boys routed tough Johnson, 70-56, and then played their best game of the season in tromping Nemaha, 65-46.

In the district tournament at Auburn, they wallopped Brownville, edged Dunbar, and then finished 14 points ahead of Nemaha.

In the Play-offs, they beat Holmesville, 48-45, and then rallied too late as Palmyra held them off, 44-42, just a basket away from the state meet.

With senior Gerald Peters as the sparkplug, the amazing Bulldogs went on from an 8-6 record in February to win eight straight games before Palmyra squeezed past them in the "big one".

In class D play, they lost to Dunbar, Nemaha, and Palmyra. In return games with these three, only Palmyra was able to win in a second contest.

SPRING SPORTS

We expect to introduce baseball as part of our spring sports program here this year. Baseball has been a long time coming to Talmage. Heretofore, the sole spring athletic activity for boys has been track. Talmage has a long and distinguished record as a producer of track teams. However, this year it appeared that track enthusiasm had greatly diminished, as had the number of experienced cindermen.

We believe that baseball suits the needs of our small school better than any other spring sport because it has more carry-over value, that is, it is one of few sports which boys are likely to enjoy in later years--with the exception of those few who may compete in college athletics. Also, baseball allows boys to participate who have not the special physical characteristics so often necessary for track.

We plan to continue track, however, and to encourage participation in it for all interested. Because there are so few boys interested in both sports, there should be no serious conflict between the two activities.

---Coach Boesen.

ROSCOE HILL HATCHERY

Steady Layers for 12 to 14 Months

Hy-Lines, first chickens bred like hybrid corn, are steady, year-around layers. Many flocks average between 50 and 80% production for 12 to 14 straight months. Hy-Lines keep laying profitably during the closing months of the laying year. Records show only a gradual decline in production through hot weather to the end of the laying year. This means you get a large egg supply in early fall when egg prices are high. Hy-Lines sell out early. Order now.
